1. INTRODUCTION & PURPOSE

Zupra Solutions is built to help businesses grow with clarity, consistency, and confidence. We exist to simplify digital growth by offering end-to-end services under one roof — from websites to content to performance marketing. This document acts as a service menu and client guide, helping you understand our process, offerings, and how we work together.

Our Purpose is Simple:

DELIVER RESULTS WHILE KEEPING YOU IN CONTROL AT EVERY STAGE.

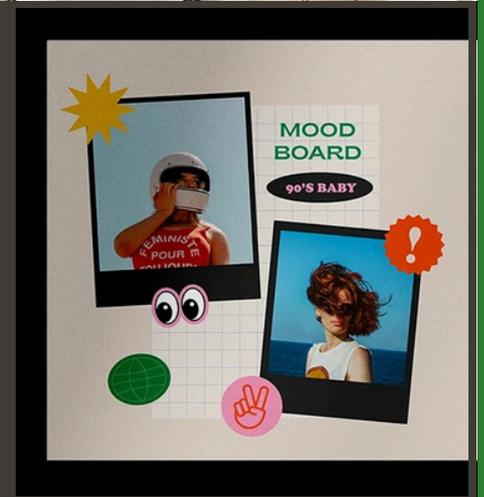

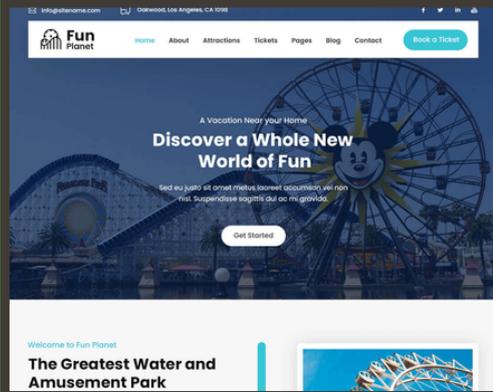

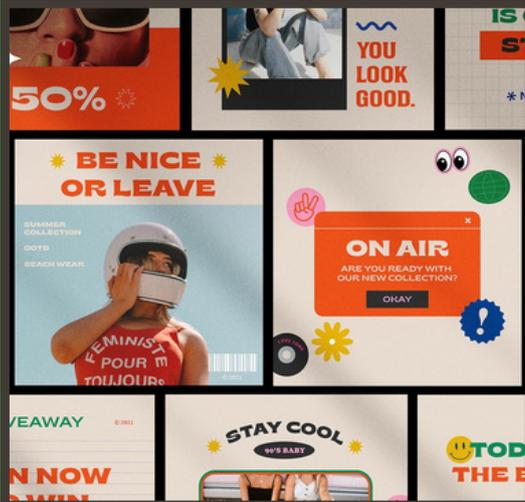

2. OUR PERFORMANCE, PORTFOLIO & TESTIMONIALS

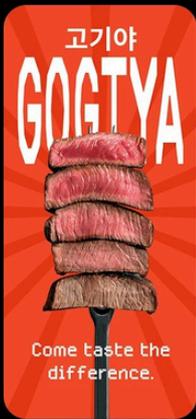

Insights from our achievements between 2025 and 2026

Zupra Solutions has worked with both local and international brands, delivering consistent, measurable results across industries. Our experience includes collaborations with **Pelvini Official** (Australia), **Altrio Official**, **Ajmal Perfumes** Pakistan, and **Pet.Care** (Portugal), where we strengthened their digital presence, improved engagement, and supported brand growth. We've also partnered with businesses such as NovaFit Gear, Urban Wave Apparel, and Prime Auto Solutions, showcasing our versatility and ability to adapt to any market. Whether supporting emerging startups or established brands, Zupra Solutions remains committed to delivering professional, creative, and result-driven solutions.

TIMELINE, RESOURCES & TEAM

During All Project:

Our Comprehensive Web Development Services

- **Weekly progress updates**
- **Defined deliverables per phase**
- **Dedicated project manager**

Questions & Clarifications

Clients can ask questions at every stage, with full transparency.

7. SOCIAL MEDIA MARKETING & CONTENT CREATION

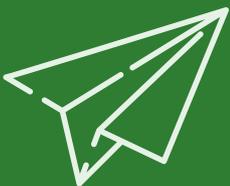

Services Included:

→ **Content strategy**

→ **Reels & short-form videos**

→ **Static posts & carousels**

→ **Caption writing &
hashtag strategy**

HOW WE WORK??

1. Brand & Audience Research

We study your brand tone, colors, fonts, values

- Analyze your niche competitors (what's working, what's overused)
- Identify your target audience:
 - Age range
 - Pain points
 - Buying behavior
 - Content they already engage with

2. Content Strategy Planning

What we do :

- Decide what type of content your brand needs:
 - Educational
 - Promotional
 - Entertaining
- Define posting frequency
- Decide formats:
 - Reels
 - Static posts
 - Carousels
- Align content with business goals (leads, sales, awareness)

3. Creative Direction & Design

What we do :

- Set visual style guidelines:
- Colors & Typography
- Reel style (fast, cinematic, minimal, bold, etc.)
- Design post templates for consistency
- Define reel hooks, storytelling style, and CTA tone

4. Content Production

What we do :

- Design posts and carousels
- Edit reels (cuts, captions, pacing)
- Write captions aligned with brand voice
- Add hashtags and CTAs

5. Review & Approval

What we do :

- Share content drafts before posting
- Collect feedback
- Make revisions if needed and then schedule and posting

TIMELINE, RESOURCES & TEAM

Monthly Content Calendars

- Full overview of what will be posted
- Clear themes and goals for the month

Weekly Content Batches

- Content delivered in manageable chunks
- Faster feedback and flexibility

Dedicated Designer & Strategist

- Dedicated designer for visual consistency and strategist

Questions & Clarifications

Clients can ask questions at every stage, with full transparency.

8. DIGITAL MARKETING & PERFORMANCE MARKETING

This service is designed for businesses that want measurable growth i.e leads, sales, bookings, or traffic, all using data-driven digital campaigns. We focus on performance first, not vanity metrics.

Platforms We Work With:

Meta Ads

Google Ads

Seo Services

Tiktok Ads

Youtube Ads

SEO SERVICES

SEO is a long-term performance channel focused on consistent organic traffic, qualified leads, and brand authority. It complements paid advertising by reducing long-term acquisition costs.

**Technical
SEO
Audit**

**On-Page
SEO**

**Strategy
&
Planning**

**Technical
SEO**

**Content
optimization**

ZUPRA PERFORMANCE MARKETING METHODOLOGY

Our process is structured to reduce risk, control spend, and scale what works:

1. Market & Audience Research

- Industry and competitor analysis
- Audience behavior and intent mapping
- Offer and positioning review

2. Strategy Planning

- Funnel selection (awareness, consideration, conversion)
- Platform selection
- Budget allocation strategy
- KPI definition (leads, CPA, ROAS, etc.)

3. Creative & Copy Design

- Ad creatives (images, videos, reels)
- Conversion-focused ad copy
- Multiple variations for testing

4. Campaign Setup & Execution

- Pixel and tracking setup
- Audience targeting configuration
- Campaign launch and structure setup

5. Monitoring, Optimization & Testing

- Daily and weekly performance monitoring
- A/B testing (creatives, audiences, copy)
- Budget reallocation to winning ads

6. Analytics & Reporting

- Clear performance reports
- Insights and improvement recommendations
- Next-step action plans

Client Safety & Control

- Spend is fully transparent
- No changes without approval
- Clients can pause or scale anytime

TIMELINE, RESOURCES & TEAM

Initial Setup Phase (Week 1–2)

Market research, strategy finalization, tracking setup (pixels, analytics), and creative planning.

Launch & Learning Phase (Week 2–3)

Campaigns go live, multiple variations are tested, and early performance data is collected.

Optimization Phase (Week 4–6)

Budget is shifted to winning creatives and audiences, weak elements are paused, and conversion rates are improved.

Ongoing: Scaling & Refinement

Profitable campaigns are scaled carefully, new tests are introduced, and performance is stabilized.

Resources Involved

- Advertising platforms (Meta, Google, YouTube)
- Analytics and tracking tools
- Creative assets (images, videos, copy)
- Landing pages or funnels (if required)

Team Allocation

- Performance Marketing Specialist (strategy & optimization)
- Creative Designer (ad visuals)
- Copywriter (conversion-focused messaging)
- Project Manager (communication & reporting)

Questions & Clarifications

Clients can ask questions at every stage, with full transparency.

9. PROJECT TIMELINE & ENGAGEMENT PROCESS

Each project follows a clear and structured timeline based on the selected service. Key milestones, review points, and deliverables are shared in advance so clients always know what to expect. This ensures smooth execution and timely completion of the project.

10. BUDGET & PAYMENT STRUCTURE

Project budgets are finalized based on scope and service selection. Payments follow a milestone-based structure, with an initial payment to begin the project and the remaining amount due upon completion. This approach ensures transparency and fairness for both parties.

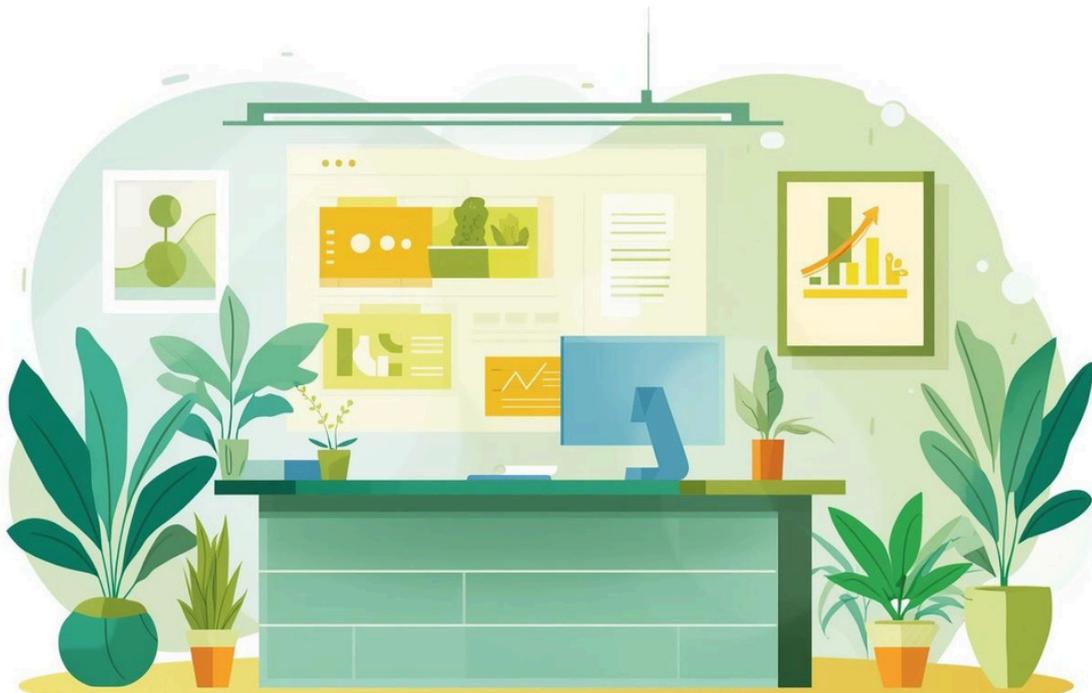

11. COMMUNICATION & APPROVALS

Clear communication is maintained throughout the project. Clients are involved at review stages and approvals are taken before moving forward. Feedback and questions are welcomed to ensure alignment and satisfaction.

LET'S BUILD SOMETHING THAT WORKS

You've seen our process, services, and approach. Now it's time to take the next step. Choose a service, request a customized plan, or ask a question — we'll guide you from start to finish.

Lets Start Today
